

DIGITAL SIGNAGE FOR EVENT VENUES & CONVENTION CENTERS

Inform. Engage. Inspire.
Create Memorable Experiences.
Drive Event Success.

LiveSign's media player and CMS help venues and convention centers deliver dynamic content, guide attendees, promote events and enhance engagement across every screen.

Seamless Event Communication

Share schedules, updates and announcements in real-time across all digital displays.

Wayfinding & Navigation

Help attendees find their way with interactive maps, directions and session guidance.

Engage & Inspire

Deliver engaging content, live social feeds, sponsor messages and key event highlights.

Any Screen. Anywhere.

Deploy on LED walls, TVs, kiosks, tablets and more across your venue.

Centralized Control

Manage all screens and content from one powerful CMS platform.

Reliable & Secure

Enterprise-grade reliability and secure performance during critical events.

Sustainable Solutions

Energy-efficient hardware and eco-friendly digital communication.

POWERFUL FEATURES. BUILT FOR EVENTS.

Live Announcements

Broadcast important updates, alerts and event messages instantly.

Event Schedules

Display session times, speaker details, room changes and daily agendas.

Speaker & Sponsor Spotlight
