

DIGITAL SIGNAGE FOR RETAIL FUEL STATIONS & CONVENIENCE STORES

Inform. Promote. Engage.
Drive Sales. Enhance Experience.
Operate Smarter.

Live's Digital Signage Solutions help fuel retailers deliver real-time information, promotions and services across forecourts and in-store—improving customer experience and boosting revenue at every touchpoint.

Drive Sales & Promote Offers

Display dynamic promotions, discounts and new offers to increase in-store and fuel sales.

Real-time Fuel Information

Show fuel prices, offers and announcements instantly across all screens.

Enhance Customer Experience

Entertain and inform customers while they refuel or shop.

Wayfinding & Navigation

Guide customers to facilities like car wash, washrooms and exits.

Safe & Compliant Communication

Broadcast safety messages, alerts and compliance information in real-time.

Sustainable Solutions

Energy-efficient hardware and eco-friendly digital communication.

POWERFUL FEATURES. BUILT FOR FUEL RETAIL.

Live Promotions & Ads
Update campaigns instantly across forecourt and in-store screens.

Weather & News
Keep customers informed with local weather, news and traffic updates.

Price Updates
Display real-time fuel prices and special offers automatically.

Emergency Alerts
Share important alerts and safety information across all screens.

Menu Boards & Offers
Showcase food menu, combos and limited-time offers dynamically.

Centralized Control
Manage all screens and content from one powerful CMS platform.

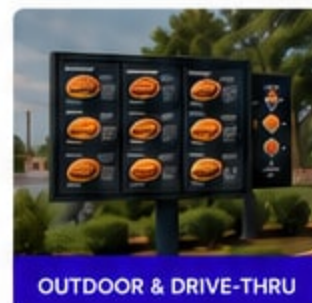

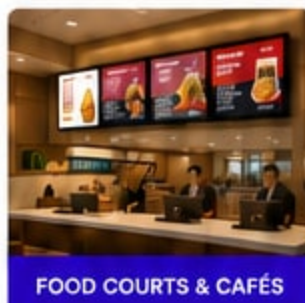

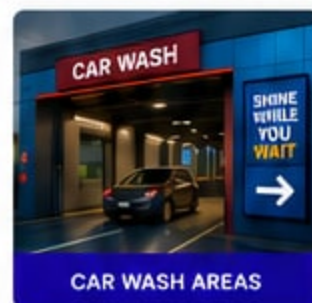

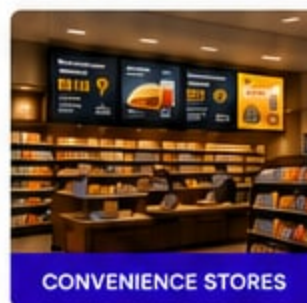

Queue Management
Queue systems for car wash and checkout counters to improve flow.

Analytics & Insights
Measure performance and optimize content to drive better results.

PERFECT FOR EVERY FUEL RETAIL ENVIRONMENT
